

## KY HEARS MONTHLY NEWS

August 2024

### *Come join us at the Kentucky State Fair*

#### **Stop By Our Booth**

The *KY HEARS* and *Heuser Hearing Institute* team will be at the State Fair every weekday between the hours of 10 and 5 at **booth HH235** in the Healthcare Wing. We will have hearing healthcare resources, hearing protection, and computerized hearing test machines available for quick hearing checks. Our team of healthcare professionals will also be able to provide a quick check of the ears and answer questions about hearing aids, amplification devices, custom ear protection, and so much more. Be on the lookout for opportunities to win door prizes. We can't wait to see you!

**Kentucky State Fair**  
**August 15-25, 2024**

### *Proposed a Plan, Implemented a Program*

#### **Thank You to our Partners**

When the Pandemic of 2020 closed the doors to many businesses, Heuser Hearing Institute staff stayed open to ensure that our patients were able to access communication. Through creative thinking, Heuser developed a curbside service to patients that sparked the idea of KY HEARS. Now, four years later, the KY HEARS program has reached over 22 counties, provided hearing healthcare

to hundreds of patients in rural communities, and provided resources and information through multiple platforms to thousands of people throughout the Commonwealth of Kentucky.

We are always grateful for the community partnerships we have developed and the leaders in the communities we have visited. We are excited about the growth of this program that allows us to engage with amazing people and bring much needed resources to those who need them. As a non-profit, we focus on the mission of bridging the gaps in education and workforce attainment as it relates to hearing health. As of this month, the KY HEARS team has traveled over 9,000 miles around our state! Please visit [kyhears.org](https://kyhears.org) for more information about our program and our schedule of clinics and health fairs.
